

## Spanish Final Project

Hello all, here are the directions for your Spanish Final Project:

On this project you must create a fictional character that went to the space and came back. Your fictional character wants to share his or her experience in the space. You have many resources, vocabulary, and knowledge to develop your story. Use the verbs in preterit, and past progressive.

You have to write a paperwork about two paragraphs. It is due the last week of May. It is from May 26<sup>th</sup> to May 29<sup>th</sup>. Please send me your project through my email.

This assessment is a test.

If you have any questions, please email me.

Have fun.

Mrs. Lorenzo.
